

SHOP WITH A CONSCIENCE

For many, December means it's time to shop, and we've got you covered for presents for your loved ones (or yourself!). **Grab a complimentary bike at the Front Desk** and ride over to Abbot Kinney Boulevard to dig into some locally made apparel at Zephyr Lena, where natural fibers and respect for garment makers is the name of the game. They're new to the block, and Erwin guests get a special perk! **Flash your room key for 10% off all items!**

EXPERIENCE WINTER LA STYLE

What could be more LA than ice skating by the beach? Head over to Ice at Santa Monica to take advantage of their 8000 square foot rink, where beginners can even book private or group lessons! Make your evening even more "wintery" by stopping at Philz Coffee across the street—**Jilian** at the Front Desk thinks the Gingersnap is perfect for the season!

SWEAT YOUR WORRIES AWAY

Want to live like the Kardashians for an hour? Head over to their favorite urban sweat lodge to flush away the toxins and leave feeling rejuvenated. At Shape House in Santa Monica, you can watch some TV, read a good book, or relax with some music while infrared radiation works its magic on your body. **Disclaimer: neither Hotel Erwin nor the Kardashians are medical professionals, so we recommend checking in with yours if you have any hesitations.**

IMMERSE YOURSELF IN A WINTER WONDERLAND

LA has some premium real estate, and what better time to window shop than when it is adorned for the holidays? Walk over to the famous Venice Canals to check out one of Venice's most iconic offerings. Want to witness an even more extravagant display? **Jesse** at the Front Desk recommends driving a few miles out to El Segundo for Candy Cane Lane, where residents come together to turn their neighborhood into a Winter Wonderland for visitors from all over.

EXPLORE VENICE'S ART SCENE

Hotel Erwin has been a Venice institution since 1975, and we've had some great company along the way! LA Louver is a long-standing art gallery located a short walk from the hotel, and current exhibits include Alex "Defer" Kizu's Skyroom, an immersive, open-air mural that mimics the ocean right down the street. We bet it's warmer than immersing yourself in the Pacific this time of year!

PUT THOSE HOLIDAY CALORIES TO WORK

Perhaps you may have already known, but Hotel Erwin has a partnership with the Mecca of bodybuilding itself—Gold's Gym Venice! **Grab a complimentary pass at the Front Desk** and lift away all those holiday treats. Feeling cocky? On December 2, bring an unwrapped toy to participate in Muscle Beach's Lat Pulldown competition!
